BODY SAFETY AUSTRALIA

NAKED
TRUTHS

Affirmative consent, digital technology and emerging sexuality

Our **Naked Truths** program encourages students to think critically about consent and respect in personal relationships. By understanding their own values and identity, students will look closely at gendered stereotypes, power imbalances, and digital media literacy. The workshop covers the moral and ethical considerations of personal interactions, as well as the legal implications.

WE OFFER:

PARENT / CARER WORKSHOP

This **one or two hour** workshop for parents and carers aims to inform you of what your child will be learning with us and how you can **keep the conversation going at home**. This workshop is designed to give parents and carers the information they need to understand and respond to their children's growing need for information in their online and offline worlds, covering respectful relationships and consent; challenging misinformation about sex and relationships; responsible use of technology and social media ; child development and technology use; the role of age and gender in power imbalances and the law: children's rights and responsibilities.

PROFESSIONAL DEVELOPMENT

This interactive workshop helps you provide accurate, age-appropriate information at the primary school level. Offered as **one 2 hour** session, our Consent, Respectful Relationships and eSafety Professional Development supports your **Child Safe Standards, Respectful Relationships curriculum** and covers consent; respectful relationships; friends, followers and predator grooming; spotting red flags; nudes, porn and sexting; teens' legal rights and responsibilities; bystanders & upstanders: the risks and rewards of speaking up; power imbalances; sexual digital media literacy; examining gendered messages and the portrayal of minority groups.
